

7<sup>th</sup> November 2025

Dear Parents and Carers,

Lara Lake Primary School is looking forward to another great year of teaching and learning and would like to advise you of Lara Lake Primary School's voluntary financial contributions for 2026.

Schools provide students with free instruction to fulfil the standard curriculum requirements, and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support enables us to provide a wide range of programs and enhance our resources and activities that are not otherwise provided for through the Department's Student Resource Package.

In 2026 we have included a range of explicit student learning books which support quality teaching and learning. These resources will support the roll-out of high quality, evidence based-practice in every classroom. Without the financial support of families, we simply could not provide students with this level of consistent, high-quality instruction from P-6.

For further information on the Department's Parent Payments Policy please see the overview attached.

With your support and contribution, together we can enhance the overall school experience for all children who attend Lara Lake Primary School.

Regards,

**Zane Moylan**  
**Principal**

**Tamara Williams**  
**School Council President**
